A Platform Powering the Future of India's Electronics Manufacturing

18th EDITION

IPCA

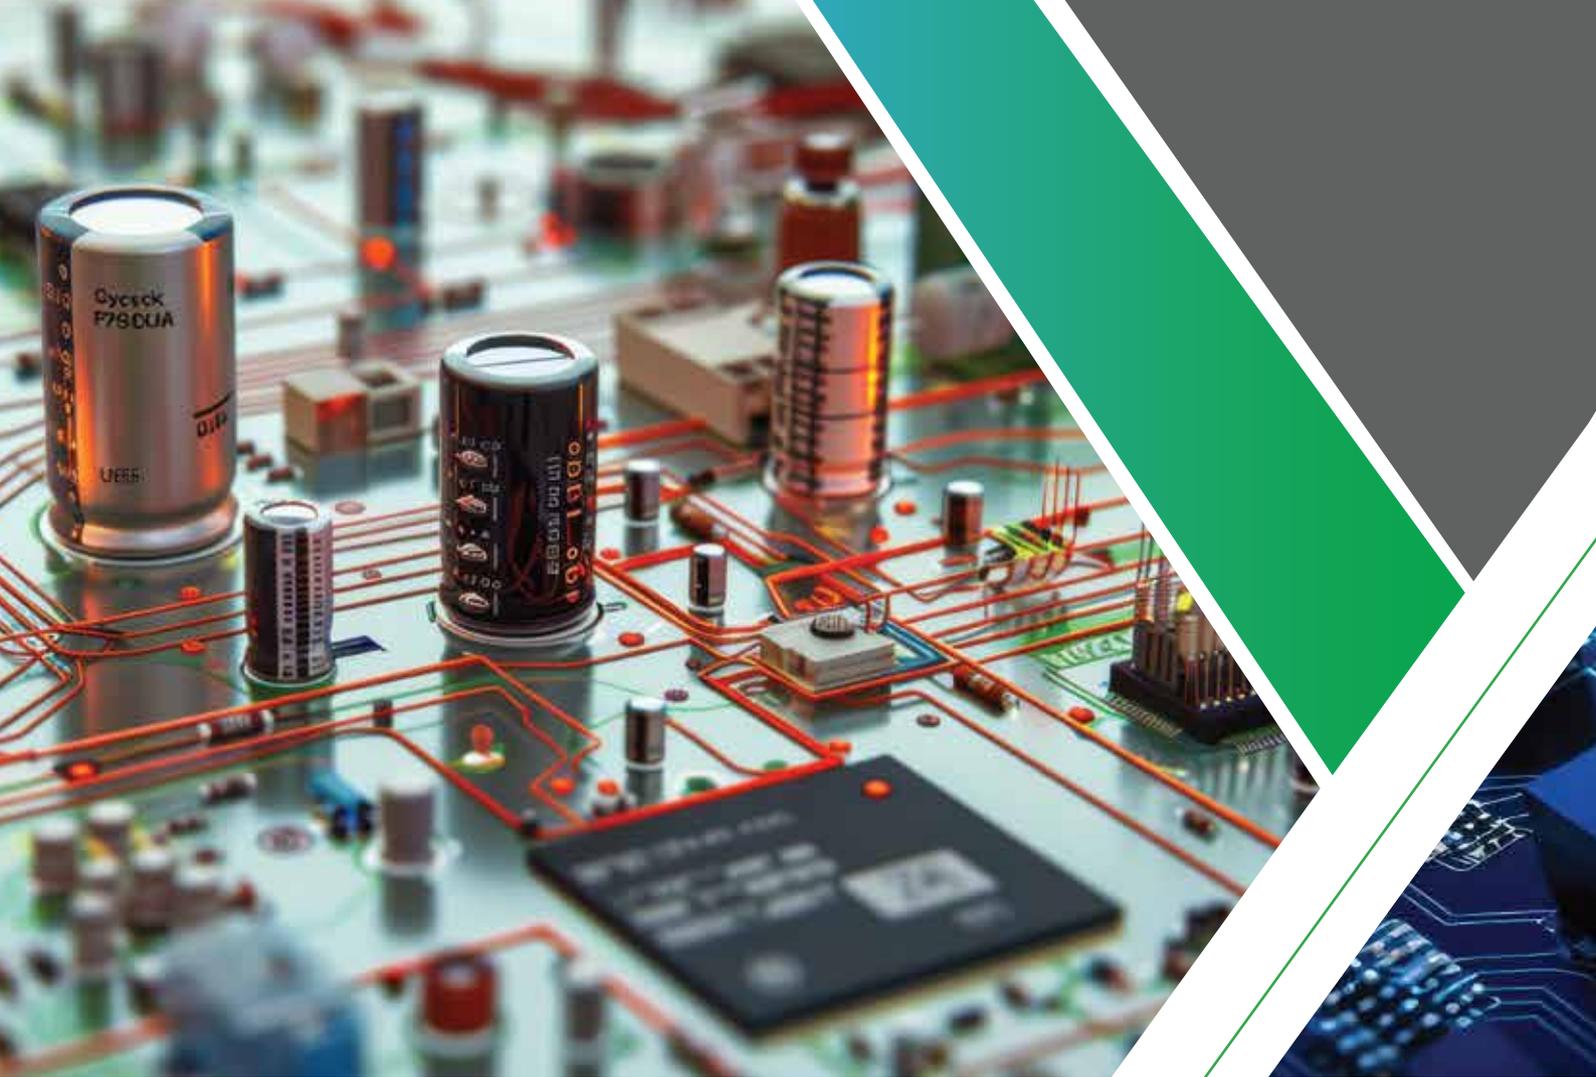

Electronics Expo India 2026

PCB & PCBA SHOW

05 06 07

August 2026

Hall no 14,
Bharat Mandapam
New Delhi

Powering the **Future** of India's **Electronics Manufacturing**

The IPCA Electronics Expo India 2026 is the country's premier event dedicated to the electronics manufacturing industry, bringing together every segment of the electronics ecosystem — from design to production, assembly to testing, and innovation to market deployment.

As India continues its transformation into a global manufacturing powerhouse under the 'Make in India' initiative, this exhibition serves as a strategic platform for innovation, collaboration, and business growth in the field of Printed Circuit Boards (PCB), PCB Assemblies (PCBA), and Electronic Manufacturing Services (EMS).

IPCA 2026

What to Expect in 2026

Experience an expanded edition that unites leading global and domestic brands across the full spectrum of electronics manufacturing.

Discover cutting-edge technologies, sustainable solutions, and emerging trends redefining the electronics landscape.

Exhibition Highlights

Over 150+ Exhibitors showcasing latest products and innovations

Buyer-Seller Meets facilitating direct B2B interactions

10,000+ Industry Visitors from across India and abroad

Technical Conferences & Workshops led by global experts and thought leaders

Live Demos & Product Launches featuring the latest in SMT, AI, IoT & Automation

Innovation Zone spotlighting startups and new technologies in electronics design and manufacturing

Exhibit Profile

A complete display of solutions for the electronics manufacturing value chain:

- › **PCB Manufacturing Equipment & Materials** – fabrication, plating, drilling, etching, lamination
- › **PCBA / SMT Equipment** – pick & place, reflow soldering, wave soldering, screen printing, and AOI
- › **Testing & Measurement Systems** – inspection, quality assurance, and failure analysis
- › **Components & Materials** – connectors, semiconductors, resins, laminates, soldering materials
- › **EMS & OEM Solutions** – turnkey manufacturing, design services, and outsourcing partners
- › **Automation & Robotics** – assembly automation, smart manufacturing, Industry 4.0 integration
- › **Sustainability & Recycling Technologies** – green electronics, waste management, and eco-friendly production

Visitor Profile

A must-visit platform for professionals and decision-makers in:

- › Electronics Manufacturing & Assembly
- › Government & Public Sector Enterprises
- › PCB Design & Fabrication
- › Startups, Innovators & Entrepreneurs
- › Component Distribution & Sourcing
- › Academia & Training Institutes
- › Research, Development & Engineering

Visitors will gain access to **new technologies, industry collaborations, and procurement opportunities** that will define the future of electronics manufacturing in India.

IPCA Electronics
Expo India 2025
PCB & PCBA SHOW

21 22 23
August 2025
Hall No-11
Bharat Mandapam
Pragati Maidan
New Delhi

Why Participate?

- **Expand Market Reach** – Meet potential buyers, distributors, and technology partners.
- **Build Brand Presence** – Showcase your latest products and innovations before an international audience.
- **Network with Industry Leaders** – Connect with government agencies, trade associations, and global OEMs.
- **Stay Ahead of Trends** – Learn about emerging technologies, manufacturing challenges, and sustainability practices.
- **Accelerate Business Growth** – Secure new business deals, joint ventures, and export partnerships.

Exhibit Space Cost

- **Shell Space Rate:**
INR 16800/sqm
(Minimum booth: 9 sqm)
- **Raw Space Booth:**
INR 15750/sqm
(Minimum 18 sqm)

**Special rates for
IPCA & WECC
Members**

Corner Charges- 5% for 2-sides open booth & 10% for 3-sides open booth *GST 18% applicable on above rates

Venue Advantage – Bharat Mandapam, New Delhi

Located in the heart of India's capital, **Bharat Mandapam** offers world-class infrastructure, modern exhibition halls, and seamless connectivity. The venue is a symbol of India's global ambition and a perfect stage for the nation's most significant electronics manufacturing event.

BHARAT MANDAPAM

Organized By

India Printed Circuit Association (IPCA) – the apex body representing PCB manufacturers and electronics industry stakeholders in India.

Event Partner: ACEXM7 – a leading exhibition and conference organizer known for delivering world-class trade events in technology and manufacturing sectors.

Join the Movement Towards
‘Make in India’
Electronics Excellence

India is rapidly becoming a global hub for electronics manufacturing. The **18th Edition of IPCA Electronics Expo India 2026** will play a pivotal role in accelerating this transformation by fostering innovation, partnerships, and knowledge exchange.

Be part of the journey. Be part of the future.
